

FREE DIABETIC SUPPLIES

Did You Know...

Regular blood sugar testing can help you manage your diabetes and may lead to better glucose control.

Jones is offering its employees FREE blood glucose meters and test strips at no additional charge! Refer to the steps below to learn how you can receive your FREE blood glucose meter and/or test strips.

How To Order

- 1 Visit your doctor and receive a prescription for a ContourNext Blood Glucose Meter and/or ContourNext Strips.
- 2 You or you doctor can order directly by calling **1-800-401-8440**.
- 3 Mention the ID code "**CTR-OPX.**"
- 4 Choose which meter you would like to receive from the options listed below.

Meter Options

ContourNext ONE Blood Glucose Meter

- The SmartLIGHT feature gives instant feedback of results
- Seamlessly connects to the free Contour Diabetes app to use as an electronic logbook and view data patterns/trends on a compatible Bluetooth® enabled Android or iOS smartphone or tablet

ContourNext EZ Blood Glucose Meter

- Large, easy to read display makes it simple to see test results
- Ready to use out of the box

Both meters use ContourNext Test Strips. These test strips are highly accurate and compatible with all ContourNext branded meters. You MUST have a prescription from your doctor for both the ContourNext Meters and the ContourNext Test Strips to order either/both of them.

If you have questions or concerns, please contact your HR Liaisons.
